The Asian hornet poses a serious risk to our bees, pollinators, and biodiversity. Early detection and prevention are vital if we are to stop this species from becoming established in Tipperary.

This motion is urging the Council to:

- Inform and train outdoor staff on how to identify the Asian hornet and the procedures for reporting sightings.
- Run a public awareness campaign through the Environment Section, providing guidance on identification and reporting methods.
- Work with Tidy Towns groups, and community organisations across the county to spread awareness at a local level.

## **5.5 Cllr. Mary Hanna Hourigan, Cllr. Declan Burgess & Cllr. Roger Kennedy (Ref. ID 3045)**

That Tipperary County Council engage with all relevant internal sections and external stakeholders to develop a comprehensive Master Plan for the Waller's Lot area in Cashel, incorporating both Waller's Lot and the Clonmel Road access into Cashel town.

This Master Plan should address and integrate key elements including:

- Traffic management and road safety improvements,
- Provision and organisation of car parking,
- Addressing dereliction and vacancy,
- Tackling unauthorised development within the area, and
- Ongoing maintenance and enhancement of public and private property.

The purpose of this plan is to ensure a coordinated, sustainable, and visually improved approach to the development and regeneration of this important gateway area to Cashel town.

## **5.6 Cllr. Roger Kennedy (Ref. ID 3052)**
