Notices of Motion

9.1 Councillor Richie Molloy & Councillor Pat English (Ref ID 3115)

That Clonmel Borough District consider installing a commemorative plaque at the West Gate in Clonmel to recognise the historic presence of CBC Radio, which operated from the building between Nov 14th 1981 and Dec 31st 1988. CBC Radio holds an important place in the town's social and cultural history. It was the first community radio station in Clonmel and played a vital role in local broadcasting at a formative time for independent media in Ireland.

9.2 Councillor Pat English (Ref ID 3127)

That Clonmel Borough District look at resurfacing sections of the Heywood Road from the Queen Street Traffic Lights to the junction with the Frank Drohan Road N24.

9.3 Councillor Pat English (Ref ID 3128)

That Clonmel Borough District replace the display boards for the Clonmel Heritage Trail in town, as the existing display boards are either broken or non-existing.

9.4 Councillor Richie Molloy (Ref ID 3129)

That Clonmel Borough District erect a crash barrier for the cycle/walkway from the Cashel Road Roundabout to the Poppyfields Roundabout on the N24 as a matter of urgency due to the large number of people availing of this facility.

9.5 Councillor Richie Molloy (Ref ID 3131)

That Clonmel Borough District install a disabled parking bay outside 12 Davis Tce to enable Care Workers and PHN to visit an elderly resident and to bring the resident to various appointments as its very difficult to obtain a parking space in this area.

9.6 Councillor Siobhán Ambrose (Ref ID 3132)

Following representations from members of the public can we explore the possibility of extending the footpath on the left hand side of the inner relief road from the Fethard Road roundabout up as far as the Moangariff road roundabout.

9.7 Councillor Siobhán Ambrose (Ref ID 3133)

That contact is made with the OPW with a view to asking them for a likely timeframe as to when both the Clonmel Coat of Arms and also the Butler Coat of Arms will be re-instated at the front of the Main Guard. Both of these coats of arms were previously removed in order for construction works to be carried out on the Main Guard but they were never re-instated as is clear from the two empty surrounds at the front of the building. It would be great to have both coats of arms re-instated on this historic building.

9.8 Councillor Siobhán Ambrose (Ref ID 3134)

That consideration is given under future road programmes for the re-surfacing of the section of road network outside the school in Rathkeevin.
